ANNUAL TOWN MEETING.

The annual town meeting was called
to order at 10:15 o'clock Tuesday morn-
ing by moderator James B. Donoway
and the warning was read by Clerk
Joseph M. Burke. Mr. Donoway and
Mr. Burke were immediately re-elected
to their former positions as moderator
and clerk.

Prof. Thomas E. Boyce moved that
the report of the town officers, as
printed, be accepted and adopted, which
was carried.

Under article 3, to determine what
sum of money, if any, should be ap-
propriated by the town for the proper
observance of Decoration day, it was
finally voted on the motion of Charles
F. Rich, with an amendment offered by
Edward P. Seymour, that the sum of
\$126 be appropriated of which the \$26 is
for markers for veterans' graves, and
the other \$100 to be divided, \$65 for
Middlebury village and \$35 for East
Middlebury, as has been the custom in
recent years.

Under article 4, to see if the town
would vote a tax to maintain in co-
operation with the Ladies' Library
association the free public library in
Middlebury a tax of three per cent on
the grand list was voted.

Article 5 called up quite a little dis-
cussion. It related to the matter of
building a new bridge over the East
Middlebury river at East Middlebury
and after quite a little discussion the
sum of \$1000 was appropriated for that
purpose. One thousand dollars was
voted for the purpose of permanent
highways, in order to take advantage
of the State law.

Article 7 to see if the town will vote
to appropriate any money to be paid for
hand concerts, and, if so how much,
brought up the greatest discussion of
the day. At the start it was moved
and seconded that the article should be
laid on the table, which motion the
moderator said was lost, but a ballot
was demanded and after taking twenty
minutes to get the ballot cast it was
found to be lost by a majority of
eighteen votes. Then on another trial
of the question whether the vote should
be lost or stand a ballot was again
called for and resulted in favor of con-
certs by the band by 11 majority, which
gives the band \$500, the same as has
been voted for several years past.

Under article 8, to vote a tax for the
payment of outstanding orders of the
support of the poor and other expenses
of the town for the ensuing year, a tax
of 60 cents on the dollar of the grand
list was voted, and 50 cents on the dol-
lar of the grand list was voted for the
support of schools in the outlying dis-
tricts of Middlebury.

In addition to the former taxes, after
considerable discussion, a tax of 35 cents
on the dollar was levied for roads and
repairing the roads in the town. There
were only three or four ballots taken in
the meeting and A. N. McQuivey was
elected school director for three years
by acclamation. A. N. Brown was
chosen town grand juror by an unani-
mous ballot, and for first selectman
there were two ballots, to choose a suc-
cessor for three years to E. E. Ross.
The candidates were Elmer E. Ross,
the retiring member, N. C. Fenn and
E. B. Cornwall. The first ballot re-
sulted: Mr. Fenn 125, Mr. Ross 148 and
Mr. Cornwall 36. Mr. Cornwall with-
drew after the ballot and on the second
ballot Mr. Ross was reelected by a vote
of 165 against 153 for Mr. Fenn. The
old board of auditors was elected in a
bunch and Arthur N. Brown was elected
town grand juror by acclamation. The
final ballot of the day was in regard to
the choice of a first constable and col-
lector to fill the place vacated by
Charles J. Seeley. The candidates were
Milo K. Moore and John D. Wood, and
one ballot finished the matter as Mr.
Moore had 188 votes and Mr. Wood 121,
out of a total of 309, and Mr. Moore was
declared elected by 67 majority. Ed-
ward M. Day of East Middlebury was
reelected second constable. Charles
E. Pinney was elected unanimously
town treasurer, as well as trustee of
public money. Mrs. John A. Fletcher
was reelected library trustee to succeed
herself for five years. William Jackson
was reelected poormaster to succeed
himself at the same salary of \$100.

Hartwell Danveau was unanimously
reelected road commissioner to succeed
himself and the following were chosen
as the citizens' committee to assist in
the carrying out of the Decoration day
exercises in conjunction with a com-
mittee from the Grand Army post: Edward
P. Seymour, John K. Dyer and
Charles F. Rich. James B. Donoway
was re-elected town agent.

The last vote taken was on the
recommendation of the selectmen for
county grand jurors and town petit
jurors for the coming year and the lists
as submitted by the selectmen were
unanimously adopted as follows:

Petit jurors: O. H. Flannigan, C. J.
Cady, Charles J. Bullock, Walter W.

cognizance of Cupid's affairs, decreed
otherwise.

Mr. and Mrs. Aines were assisted in
receiving by Mrs. Kent, mother of the
groom, Mrs. Leland of Salisbury, Mrs.
Morgan and Mrs. Corkran. The many
friends of the young couple tender
their best wishes.

young men whose ages range from 16
to 21, are Harry and Basil Laque, Fred
Priour, Herbert Newton, Milton Elmer

An Emerson Piano for \$275

Did you ever hear of Emerson pianos
being sold at such a ridiculously low
price? Of course you never did, because
it's just another sample of our price slash-
ing campaign. We always sold this pi-
ano for \$400, but for the month of March
only we will sell you a new Emerson
piano shipped direct from the factory,
style 24, in either fancy mahogany, fancy
walnut or oak case for \$275, including
stool and scarf on payments of \$10 down
and \$8 per month. Here is a piano that
everyone knows to be strictly first-class,
and the Emerson Piano Company have
been making pianos since 1849, and yet
this month you can purchase it at a less
price than you would pay for an ordi-
nary piano. If you are thinking of buy-
ing a piano send for an Emerson cata-
logue to GEO. D. JARVIS & SON, Burling-
ton, Vt. adv
